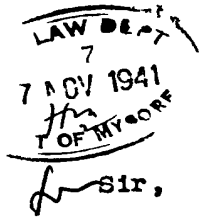
Secretary to the Government of His Highness the
Maharaja of Mysore, LAW DEPARTMENT, Bangalore



Sir,

Subject - Cost of drainage work in the Sidlaghatta Town Municipality

*****

I have the honour to state that a sum of Rs 1000/- was sanctioned as Government grant to the Town Municipal Council of Sidlaghatta in G O No L 2821-31/Ml 113-35-2 dated 18/10/1935, towards the cost of drainage work in the town, an equal amount being contributed by the Municipality towards the said work, for which an estimate for Rs 2025 had been sanctioned The Sanitary Engineer in Mysore, Bangalore has stated in his letter No 135, dated 29/7/1941, that the actual outlay incurred on the work was Rs 2081/- while the payments actually made amounted to Rs 1922-8-0, as per particulars noted in the margin leaving a balance of Rs 158-8-0 still to be adjusted before closing the accounts relating to the work

1 Municipal contribution	1000-0-0
2 Government G r a n t	922-8-0
Rs	1922-8-0

The Sanitary Engineer further states that though the Government grant for the work was Rs 1000/- the expenditure actually debited to the grant was Rs 922-8-0 only with the result that the balance of Rs 77-8-0 lapsed to Government He requests that the Municipality may be instructed to pay the balance of cost Viz , Rs 158-8-0, r - required to close the account

The opinion of the Municipal Council having been called for in the matter, they have resolved at their meeting held on 1/10/1941, that, in view of their meagre finances, the Government may be requested to kindly waive the recovery of this amount, particularly as the claim is a very old one

It will be seen from the above facts that the sanctioned estimate

P T O

for the work was for Rs 2025/- while the actual outlay incurred was Rs 2081/- The Governrent grant of Rs 1000/- was not fully utilized by the Bureau of Sanitery Engineering The Municipality is now being asked to meet not only the excess expenditure over the sanctioned estimate but also the deficit due to not utilizing the Governmert grant in full The Municipality is too poor to meet this unexpected demand In these circumstances, sanction of Government may be kindly obtained to waive recovery of the amount

Copies of the Sanitary Engineer s letter and the resolution of the Municipal Council referred to above are enclosed herein for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Senior Assistant Commissioner,
For Deputy Commissioner,
Kolar District.

Re, Drainage of Sidlaghatta Town, first stage

I have the honour to state that an estimate amounting to Rs 2,025/- was sanctioned for the above during May 1937, and a sum of Rs 1,000/- was given as Government grant during 1936-37, an equal sum being contributed by the Municipality The work has been completed at a total cost of Rs 2,081/- and since the Government grant could not be fully worked out during 1936-37 owing to the estimate being sanctioned only in May 1937, the expenditure booked against the Government grant was Rs 922-8-0

Somehow or other the further stages of the work were not undertaken and a sum of Rs 158/- is required in order to close the accounts connected with the works already executed, and I request you to kindly instruct the President of the Municipality to place the above sum of Rs 158/- at the disposal of this office to enable the long pending accounts being closed
